MATTERS ARISING

Council's Budget for the year 2026/27

It was noted that Cllr. Martin Hughes had sent a copy of the management accounts to the Members, and it was noted that these figures differed from the Treasurer's figures because they did not include VAT as income. The Treasurer stated that the figures she presents are correct with what is included in the bank reconciliation at the end of each month.

Financial Update

It was agreed that an individual budget is needed for the projects under the Green Space sub-committee, and also that getting quotes for work to be done at Llyn y Felin playground is in hand. The Treasurer reported that an invoice for £21,060.00 had been received from G. L. Jones for the work done at King George V playground, and it was agreed to pay this invoice at the next Council meeting.

The Clerk reported that she had included the english language on the application form for financial assistance, and it was agreed that this was fine, but the date needs to be changed to October 31st.
